About EFFERVESCENCE - The Future of Life Sciences

EFFERVESCENCE is a distinctive and unifying event for the entire life sciences and health technology ecosystem. Focusing on the future of life sciences, the event's programming offers a multidisciplinary and avant-garde vision of the sector. EFFERVESCENCE offers researchers, companies and players in the life sciences sector a unique opportunity to meet people, build business relationships, participate in inspiring conferences and discover what's new in the industry, all in an experiential and stimulating universe for participants.

Co-created by 14 partners in 2019, the 1st edition brought together 550 participants, including 116 speakers. More than 225 B2B meetings were recorded on the event's platform.

EFFERVESCENCE 2022 brings together 17 organizing partners, and will be held from **May 10 to 12, 2022** at the **Bonsecours Market in Montreal**.

The virtual format

Date of the fair

May 10, 2022 : 9 a.m. to 12 p.m.

Platform

Braindate

The Virtual Job Fair will allow job seekers in the life sciences and technologies across Quebec and even internationally to create links with companies looking for new talent. Take advantage of regional, provincial and international exposure by combining the virtual and in-person job fair packages.

The regular package

The regular fee to present a booth at the job fair in **virtual format** is **\$500**. By having a virtual booth, you will have the opportunity to meet candidates from all over Quebec and even internationally.

The Braindate platform

The virtual job fair will take place on Braindate, a networking platform that allows companies to customize their own online booth.

Through this platform, you will be able to schedule multiple 30-minute introductory discussions at the EFFERVESCENCE Job Fair to expand your network of contacts and view potential hiring opportunities.
